

Kiosk Standard Stand

Kiosk Standard Stand

Need a kiosk floor stand designed for kiosks or monitors less than 24"? Our standard kiosk floor stand is made of industrial-strength steel designed to support a wide range of use. From kiosks for staff check-in, to patient check-in, to visitor management, this floor stand will hold up to daily use. Add accessories like a printer or ID scanner stand, keyboard, casters, document holder, or custom graphics to customize this for your organization!
