Electronic In/Out Board

Savance Electronic In Out Board is a simple and easy-to-use solution that allows employees to sign in and out of the office as they come and go, so the entire office can view who's in and who's out. Eliminate wall-mounted magnetic whiteboards and paper sign-in sheets, as well as needless emails and phone calls to find someone.

FEATURES & BENEFITS

- Always know where people are and when they will be back
- Track employees statuses, attendance, location, and more.
- Quick status updates by kiosk, computer, smartphone, or badge usage
- Eliminate inefficient sign out sheets and paper logs
- Improve productivity and communication
- Fully scalable and customizable for any type or size of business

Multiple Interfaces

Browser   Mobile   Desktop App   Outlook Add-in

KIOSKS / DISPLAYS / INTEGRATION

12-70" Touch Screen Kiosks allow for quick check-in and check-out
