

Large Screen Displays

Savance Large Screen Display is a fully custom large-screen digital signage solution designed to display any information in real-time, viewable at a glance. Use it for employee status updates, company announcements, resource tracking, and much more.

FEATURES & BENEFITS

- Eliminate old school methods, like magnetic status boards, and simplify your work life.
- Screens available from 10" to 70" for varied applications.
- Plug and play – simply mount and use.
- Show mixed content, such as employee statuses, contact info, and announcements.
- Update from anywhere using a kiosk, an Internet browser, or your smartphone.

Multiple Uses For Large Screen Displays

Office Directory

Employee Tracking

Resource Management
